## Notes to invoice above

1. Healy Consultants Group fees to timely and efficiently complete Pakistan company registration within [four months](#) by **i)** choosing the optimum corporate structure for our Client's business **ii)** legally minimising local and international tax **iii)** settling our accountant and lawyer fees **iv)** preparing and submitting a high quality company incorporation application to the [SECP](#) and **v)** obtaining security clearance with the [Pakistan Ministry of the Interior](#) for all foreign shareholders and directors.

Obtaining security clearance from the Pakistan government is the [most challenging part](#) of the engagement. The government will require each foreign shareholder to supply **i)** a legalised passport copy and **ii)** a proof of residential address. In most cases, the security clearance will be approved by the government within three months. Depending on the nature of the business and the nationality of our Clients, the approval process can, however, take up to one year! In particular, Indian shareholders and directors are not welcomed by the Pakistan government. For our Clients who are uncomfortable with having to complete security clearance before starting to trade in Pakistan, we recommend using a [fast business setup solution](#).

All [engagement fees](#) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term.

Every week during the engagement, Healy Consultants Group will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language.

2. In accordance with [Pakistan law](#), an LLC shall, as from the date of its incorporation, have a legal registered office in Pakistan, to which all official government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants Group will supply the registered office address for your company. Thereafter, this address will be used to receive government correspondence including **i)** tax letters **ii)** notice of the legal annual return and **iii)** all government communications. Most of our Clients also wish to place [their office address](#) on invoices, contracts, websites and business cards.
3. This fee is an estimate of government costs payable during your Firm's engagement. For transparency purposes, all government fee payments will be supported by original receipts and invoices. Examples of government costs include **i)** reserving the company name with the [SECP](#) **ii)** obtaining digital signatures and **iii)** obtaining the certificate of incorporation. Following engagement completion, Healy Consultants Group will refund our Client any excess funds received over actual government costs paid.
4. In accordance with Pakistan law, each entity must register for corporate tax and each foreign individual shareholder and director must secure a national tax number (NTN) at the [Federal Board of Revenue](#). In accordance with the [Sales Tax Act 1990](#), a Pakistan manufacturing company is required to register for sales tax if annual revenue exceeds US\$50,000, while a retail trading company must register if the value of its supplies exceeds US\$50,000 in any calendar year. In required, Healy Consultants Group will be happy to assist your business with VAT registration, for a onetime fee of US\$850.

## Pakistan business set up

5. Healy Consultants Group will secure multi-currency corporate bank account numbers for our Client's Pakistan company. It will take on average *two months* to secure corporate bank account numbers from the moment a complete quality corporate bank account opening application is submitted to the banks. In most cases, we can secure corporate bank account numbers without our Client's travel to bank's branch. When travel is unavoidable, we refund US\$950.

This is the most challenging part of the engagement. Consequently, we apply our [Guaranteed Bank Account Approval or your Money Back](#) policy. To maximise the probability of successful multi-currency corporate bank account approvals Healy Consultants Group will:

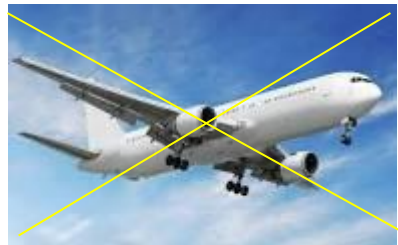

- ✓ prepare a quality business plan, including expected inflow and outflow of funds for the first 12 months;
- ✓ contact multiple banks to secure their written confirmation, welcoming a formal application from our Client's business;
- ✓ weekly negotiate and aggressively follow up with the bank relationship managers to ensure a timely corporate bank account approval.

To minimise engagement surprises and align all parties' expectations, I recommend you read [this web page](#), specially the due diligence documentation section.

6. Healy Consultants Group project management fees relate to time and resources dedicated to:
- a. thoroughly researching and planning Pakistan business set up for our Client;
  - b. devising strategies to **i)** minimise total engagement period and **ii)** complete the engagement without our Client's travel;
  - c. collating and supervising the legalisation and attestation and translation of Client documents;
  - d. weekly detailed engagement [status updates](#) to our Client and weekly Friday conference calls;
  - e. ensuring our Client complies with local regulations and legally owns and controls the new entity;
  - f. finding solutions to [challenges that occur](#) throughout the engagement;
  - g. determining the local and international tax obligations of the new entity, including corporate income tax, payroll taxes, withholding tax and sales taxes.

## Pakistan business set up

7. In accordance with the [Companies Ordinance of 1984](#), and within three months of the date of its incorporation, each Pakistan LLC must appoint a legal advisor resident in Pakistan who is registered as an advocate with the Pakistan government. The role of this advisor is to counsel directors on matters related to Pakistan corporate laws. For simplicity purposes, Healy Consultants Group will supply our Client with a passive professional Pakistan legal advisor. If our Client requires advice from the advisor, additional administrative fees may apply.
8. For an active trading company, these [accounting and tax](#) fees are an estimate of Healy Consultants Group fees to efficiently and effectively discharge your annual company accounting and tax obligations. Following receipt of a set of draft accounting numbers from your company, we will more accurately advise accounting and tax fees. For a dormant company, Healy Consultants Group fees are only US\$950. 
9. Assuming our Clients re-engage Healy Consultants Group in year 2, this is an estimate of the fees payable next year, 12 months after the date of company registration;
10. The fees quoted in this invoice are a prediction of the fees required to efficiently and effectively complete this engagement in a timely manner. If during the engagement Healy Consultants Group realises that the project is more complex than anticipated, requiring a large additional investment of time, my Firm will revert to request additional fees. If Healy Consultants Group completes the engagement faster and more easily than expected, our Firm is happy to refund some fees to our Client.
11. Engage Healy Consultants Group to [project manage](#) business set up in every country on the planet. We are the [best in the world](#) at what we do, timely completing [the A to Z](#) of every country engagement.
12. In accordance with Pakistan Company Law, the issued share capital of US\$1,000 must be deposited to the company bank account after incorporation;
13. If our Client and Healy Consultants Group properly plan this engagement, our Clients will **not** have to travel during this engagement. Healy Consultants Group will efficiently and effectively complete company registration and corporate bank account opening in a timely manner without our Client's presence. Instead, our Client will need to **i)** sign and get documents legalised in the embassy in their country of origin and **ii)** courier the originals to Healy Consultants Group's office. 
14. Depending on our Client's business and nationality, the Pakistan government may require a special regulatory licence to carry on your business in the country. If so, Healy Consultants Group will assist our Client secure licence approval. There may be additional engagement fees. However, the government enjoys ultimate power of approval over company registrations and business licenses.
15. If our Client requires [nominee non-resident shareholder and director services](#), Healy Consultants Group will be pleased to assist. Our fee for professional, passive nominee corporate shareholder amounts to US\$2,100 per annum. Our fee to be both nominee director or shareholder amounts to US\$8,600 per annum each. Being the sole shareholders and sole director of a Client's company exposes Healy Consultants Group to reputation, litigation and financial risk.

Our employee visa fees include preparation of a quality visa application and submitting it to the correct government immigration officers. The government enjoys ultimate power of approval over visa applications. Consequently, guaranteed success is outside of Healy Consultants Group's control. What is inside our control is the preparation and submission of a high quality immigration visa application that maximises the likelihood of visa approval.
18. Every director to a Pakistan LLC must be appointed as a shareholder to the company. However, not every shareholder must be a director of the entity. A minimum of two shareholders is needed.
