Depending on our Client business and nationality, there is a 35% probability the banks will request a bank signatory to travel for a one-hour bank interview. Healy Consultants Group PLC will try its best to negotiate with the bank for a travel exemption. If our Client must travel to Australia for corporate bank account opening, Healy Consultants Group PLC will refund our Client AUS\$950;

Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of corporate bank account approval. The banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC's control. What is inside our control is the preparation and submission of a high-quality bank application that maximizes the likelihood of approval;

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take at least 4 weeks from submission of a quality application. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;

5. In accordance with [Australian Tax Law](#), every Australian company is obliged to register for tax. Unfortunately it will take [ATO](#) approximately four weeks to issue the Tax File Number (TFN) and the Australian Business Number (ABN) for your firm. Should our Client expect turnover to reach AUS\$75,000, Healy Consultants Group PLC will additionally assist our Client to register for Goods and Services Tax ([GST](#));
6. For an active trading LP, these [accounting and tax](#) fees are an estimate of Healy Consultants Group PLC fees to efficiently and effectively discharge your annual partnership accounting and tax obligations.
