## Notes to invoice above

1. Healy Consultants fees to complete Bahrain company registration within [six weeks \(click link\)](#) from receipt of engagement fees and signed documents. Before submitting a quality company incorporation application to the [Ministry of Industry and Commerce](#) our Staff and Client will detail-discuss the business set up considerations outlined on [this web page](#); and

Effective 31 March 2020, locally-incorporated Bahrain entities, foreign entities registered in Bahrain and limited partnerships must satisfy certain [economic substance requirements](#) and to report on these matters within three months from their financial year end. In order to meet economic substance requirements, the entities must prove that **i)** Core Income Generating Activities (CIGA) are conducted in Bahrain, including qualified employees and physical offices, and **ii)** the entity is directed and managed from Bahrain.

2. Before company incorporation is complete, the Bahrain government must review and approve a lease agreement for office premises. This fee includes the time taken to **i)** secure a Bahrain virtual office address **ii)** negotiate the best lease terms and rental on behalf of our Client. The monthly rental fees will be paid directly to the landlord. Healy Consultants estimates a one person shared office monthly fee amounts to US\$300, whereas a 25 sq m office space amounts to US\$1,200 per month. Alternatively, some of our Clients request Healy Consultants to locate permanent office premises. Our one-time fee for this service is US\$8,950.
3. This fee is an estimate of government costs and attestation required to complete your Firm's engagement. For transparency purposes, all government fee payments will be supported by original receipts and invoices. Examples of government costs include **i)** reserving the company name with the [Economic Development Board](#) **ii)** registering the company deeds and articles of association with Bahrain courts **iii)** paying the [Chamber of Commerce](#) fee and **iv)** registering the company with the Ministry of Commerce and Labour Department and **v)** conducting the second round of attestation in Bahrain (required after the client has done so in the country of origin). Following engagement completion, Healy Consultants will refund our Client any excess funds received over actual government costs paid.
4. Healy Consultants Group will secure a Bahrain multicurrency corporate bank account numbers for our Client's Bahrain entity. From the moment a complete application is submitted to the Bahrain banks, it will take on average [two months](#) to secure multi-currency corporate bank account numbers. Unfortunately, all Bahrain banks will require the foreign bank signatory to have a local work permit and to travel for a one-hour interview. No exceptions. Multi-currency corporate bank account opening is the most [challenging](#) part of the engagement. Consequently, we apply our "[guaranteed bank account](#) approval or your money back" policy.

To minimize engagement surprises and align all parties' expectations, I recommend you read [this web page](#), specially the due diligence documentation section. To maximize the probability of bank approvals, Healy Consultants will:

- ✓ prepare a quality business plan, including expected inflow and outflow of funds for the first 12 months;
- ✓ contact multiple banks to secure their written confirmation, welcoming a formal application from our Client's business;
- ✓ weekly negotiate and aggressively follow up with the bank relationship managers to ensure a timely corporate bank account approval;

9. In 2016, the Bahrain government reduced the amount of paid up share capital to US\$2,660 (BD1,000). In accordance with the new Bahrain law, the issued share capital of US\$2,660 needs to be deposited to the corporate bank account before company incorporation is complete.
