## Ireland business set up

### Notes to invoice above

1. Within [one week](#) from receipt of engagement fees and signed documents, Healy Consultants Group will complete Ireland company incorporation. Before submitting a quality company incorporation application to the Ireland [Companies Registration Office](#); our Staff and Client will detail-discuss the important business set up considerations, as detailed on [this web page](#); and
2. The [Ireland Companies Act](#) stipulates each local entity must **i)** appoint an Irish resident company [secretary](#) and **ii)** maintain a legal registered office in Ireland. As always, Healy Consultants Group will supply these [professional services](#); and
3. This fee is an estimate of government costs payable during your Firm's engagement. For transparency purposes, all government fee payments will be supported by original receipts and invoices; and
4. The [Irish Companies Act](#) stipulates that each Ireland LLC must have at least one individual director ordinarily resident in either Ireland or the European Economic Area. Mr. [Aidan Healy](#) will be the professional passive nominee [resident director](#) of your Irish entity; and
5. [Irish Corporation Tax Act, 1976](#) requires each tax resident entity to register for corporation tax with the [Irish Revenue](#). And the [VAT Consolidation Act, 2010 \(Revised\)](#) requires each entity to register for VAT when the annual turnover exceeds the [VAT thresholds](#); and
6. Without bank [signatory travel](#), Healy Consultants Group will secure Ireland or EU multi-currency corporate bank account numbers for our Client. From the moment a complete application is submitted to the banks, it will take on average [two months](#) to secure multi-currency corporate bank account numbers. In most cases, our Staff will complete the engagement without our Client's travel to the bank branch. When [travel](#) is unavoidable, we refund €950 to our Client. Multi-currency corporate bank account opening is the most [challenging](#) part of the engagement. Consequently, we apply our "[guaranteed bank account](#) approval or your money back" policy.

To minimize engagement surprises and align all parties' expectations, I recommend you read [this web page](#), specially the due diligence documents section. To maximize the probability of bank approvals, my Firm will:

- ✓ prepare a business plan, including annual expected inflow and outflow of funds; and
  - ✓ contact multiple banks to secure their written confirmation, welcoming a formal multi-currency corporate bank account opening application; and
  - ✓ weekly follow up with the bankers to aggressively and skilfully secure a timely multi-currency corporate bank account approval;
7. This is an estimate of Healy Consultants Group's fees to timely accurately and completely discharge our multi-national Clients' annual Irish legal & accounting & tax statutory reporting obligations.
