Aidan Healy  
Business owner of Healy Consultants Group PLC

Healy Consultants Group PLC was created with a clear vision to provide clients with the highest quality of business incorporation services in every country on the planet. From the beginning, I have focused on creating a company with skilled people, solid corporate values and one clear goal of becoming the preferred partner for businesses with global growth ambition, a company well-recognized for its high-quality services and to become the best in the world at business set up worldwide. After years of hard work, I have achieved my goal, now my focus is growing the business further and achieving the leading position in the market by: (1) continuing to provide high quality service, (2) ensuring that we are always aligned with regulatory changes and (3) maintaining our focus on meeting the client's needs.

“I have achieved my goal, next step is growing the business further...”

The company has experienced significant growth. In 2017, two new offices have been integrated in Dubai and Slovakia and we are expecting to inaugurate the Malaysian office in 2018. The staff is expected to grow by 30%, based on a solid HR strategy. We are only recruiting highly skilled staff, to ensure we always deliver the best service to our clients. Diversity and staff-wellbeing is another focus we keep as our high priority. Our clients come from everywhere in the world, and we try our best in ensuring that clients can always reach us in their preferred language.

“We are only recruiting highly skilled staff, to ensure we always deliver the best service to our clients...”

We serve clients seeking to grow their business worldwide. Healy Consultants Group PLC will always ensure to provide them with tailor-made services and expertise matching their ambition and goals.

## ABOUT US

Healy Consultants Group PLC assists international clients with company incorporation services worldwide and provides effective tailored business solutions to address our clients needs.
