Notes to invoice above

1. Within [one week](#) from receipt of engagement fees and signed documents, Healy Consultants Group will complete Singaporean subsidiary incorporation. Before submitting a quality company incorporation application to the Singapore [ACRA](#), our Staff and Client will detail-discuss the important considerations for the setup, as detailed on this [web page](#) (click link).
2. In accordance with the [Singapore Companies Act](#), all Singapore companies must **i)** appoint a Singapore resident company secretary and **ii)** maintain a legal registered office address. As always, Healy Consultants Group will supply [these professional services](#); and
3. In accordance with [Section 145 \(1\) of the Singapore Companies Act 1967](#), all Singapore companies shall have at least one director who is ordinarily resident in Singapore. Most of our Clients request Aidan Healy or another one of our staff members to be the passive, [professional resident director](#).
4. For a Singaporean subsidiary company, this is [an estimate](#) of Healy Consultants Group's fees to timely accurately and completely discharge our multi-national Clients' annual legal, accounting and tax obligations. For a dormant inactive company, our fees are [only US\\$1,200](#). Refer to [this web page](#) to better understand this important annual professional service.
5. Without bank signatory travel, Healy Consultants Group will secure international multicurrency corporate bank account numbers for our Client's Singaporean LLC. From the moment a complete application is submitted to the banks, it will take on average two months to secure bank account numbers. In most cases, our Staff will complete the engagement without our Client's travel to the bank branch. When travel is unavoidable, we refund US\$950 to our Client. Multi-currency corporate bank account opening is the most challenging part of the engagement. Consequently, we apply our "guaranteed bank account approval or your money back" policy.

To minimize engagement surprises and align all parties' expectations, I recommend you read [this web page](#), specially the due diligence documentation section. To maximize the probability of bank approvals, Healy Consultants will:

- ✓ prepare a business plan, including annual expected inflow and outflow of funds; and
 - ✓ contact multiple banks to secure their written confirmation, welcoming a formal multi-currency corporate bank account opening application; and
 - ✓ weekly follow up with the bankers to aggressively and skilfully secure a timely multi-currency corporate bank account approval.
